Quiz reflection diary

"I learnt that there is so much more I can do to be better at collaborative learning. I will try to speak up more often and bring my point across confidently next time."

UX Comments and Feedback

- "I think it will be better if I can somehow see who I have already shared my feedback to."
- "Really nice! I've been looking for an avenue where I can assess myself, and these quizzes with their relatable options let me do just that."
- "Questions generally make sense and are relatable!"
- "Options feel a bit limited. Sometimes I have difficulty answering a question because I felt none of the options fit."
- "I think the quiz website looks nice. Although I'm not sure if the quiz content matches my expectations and what I think is my skill level."
